<p>This week starts our 4-week countdown to FCATs. We will begin a comprehensive review of the reading skills needed as well as some test-taking strategies. The focus this week will be figurative language and poetry.</p> <p>Vocab this week will focus on prefixes and roots used in words with measurements. A small quiz will be this Friday.</p>	<p>We moved on to decimals at the end of last week and will finish this unit by the end of this week. Estimating is a crucial skill in this unit, so practice estimating your parents' bills at restaurants and stores this week.</p> <p>We will take a test on decimals on Friday.</p>	<p>We are concluding our unit on forces and motion this week, with a test on Wednesday. We will move into energy the remainder of the week.</p> <p>In Social Studies, we'll continue learning about the Revolutionary War and its impact on our country's history.</p>	<table border="1"> <thead> <tr> <th><u>Due</u></th> <th><u>Assignment</u></th> </tr> </thead> <tbody> <tr> <td>Tue</td> <td>* Science HW * Math HW * Work on essay</td> </tr> <tr> <td>Wed</td> <td>* Science Test - Force * Math HW * Work on essay</td> </tr> <tr> <td>Thu</td> <td>* Math sheet * Science sheet * Typed essay due</td> </tr> <tr> <td>Fri</td> <td>* Rdg log & journal due * Wkly times & division quiz * Math test (decimals) * Vocab test</td> </tr> <tr> <td>Wknd</td> <td>* Complete any work or missing assignments.</td> </tr> </tbody> </table> <p>*5-10 minutes of x's practice required for students not scoring 90 or more questions correct in 5 minutes.</p>	<u>Due</u>	<u>Assignment</u>	Tue	* Science HW * Math HW * Work on essay	Wed	* Science Test - Force * Math HW * Work on essay	Thu	* Math sheet * Science sheet * Typed essay due	Fri	* Rdg log & journal due * Wkly times & division quiz * Math test (decimals) * Vocab test	Wknd	* Complete any work or missing assignments.
